

A 10x6 grid of blue dots is shown. A red path is drawn connecting the following points: (0,4), (1,3), (2,2), (3,0), (4,1), (5,3), (6,3), and (7,4). The point (0,4) is labeled 'S' and the point (7,4) is labeled 'E'. The path starts at 'S', goes down and right to (3,0), then up and right to (5,3), then right to (6,3), and finally up and right to 'E'.
